Part	Statement of Program Service Accomplishments Check if Schedule O contains a response or note to any line in this Part III
1	Briefly describe the organization's mission:
•	ODIM is comprised of local Guatemalan and international staff who work in collaboration to promote and enrich the health and
	quality of life of the Tz'utujil Maya through provision of primary individual and family health care, health education, scholarships,
	and basic home improvements.
2	Did the organization undertake any significant program services during the year which were not listed on the
	prior Form 990 or 990-EZ?
	If "Yes," describe these new services on Schedule O.
3	Did the organization cease conducting, or make significant changes in how it conducts, any program
	services?
	If "Yes," describe these changes on Schedule O.
4	Describe the organization's program service accomplishments for each of its three largest program services, as measured by
	expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others,
	the total expenses, and revenue, if any, for each program service reported.

	The Mamá y Yo Saludable (Healthy Mommy and Me) program is aimed at improving maternal and child health to combat
	malnutrition during the first 1,000 days of a child's life. This program involves a monthly educational seminar and support group for
	expectant and new mothers through age two years of the child. Participants learn about topics such as healthy nutrition during
	their pregnancy, breast feeding, child nutrition, cooking techniques, hygiene and infant care, vaccinations, family planning
	methods, and how to resolve emotional conflicts with spouses and other family members. Support groups are led by local health promoters who have been educated by Guatemalan and international health professionals. In 2022, a total of 175 mothers
	participated in the program and they received 832 food baskets during the year. ODIM health promoters conducted 122 in-person
	workshops with mothers and 32 support group meetings. Promoters produced 1 recruitment video that was shown on local
	television. At the end of the year, 22 mothers and their toddlers graduated from their 1,000 days in the program. Based on regular
	height and weight measurements of the infants and toddlers, 41% of the children from San Juan and 32% of the children from San Pablo in the graduation class achieved a healthy height and weight for a two-year old child,
	Pablo III the graduation class achieved a healthy height and weight for a two-year old child,

	High Impact Home Improvements/ Viviendas Saludable Founded in 2018, ODIM's High Impact Home Improvement program aims
	to improve the health of low-income families in San Pablo and San Juan through impactful home interventions. Families in our
	program receive efficient, wood-burning stoves that reduce or eliminate smoke in the homes and Ecofiltro water filters, which
	reduce or eliminate the number of bacteria in drinking water. These two home interventions combat the prevalence of respiratory
	and intestinal illnesses caused by toxic smoke inhalation and consumption of contaminated water. Each family also receives six
	educational sessions to learn how to use and maintain these interventions as well as strategies to maintain the overall health and
	hygiene of the home. In 2022, international volunteers and ODIM staff installed 66 Onil stoves and 67 Ecofilters.

If "Yes" to line 11a, 11b, or 11c, provide detail in Part VI. 11c Section B. Type I Supporting Organizations Yes No 1 Did the governing body, members of the governing body, officers acting in their official capacity, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's officers, directors, or trustees at all times during the tax year? If "No," describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove officers, directors, or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year. 1 Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? If "Yes," explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised, or controlled the supporting organization. 2 Section C. Type II Supporting Organizations Yes No Were a majority of the organization's directors or trustees during the tax year also a majority of the directors or trustees of each of the organization's supported organization(s)? If "No," describe in Part VI how control or management of the supporting organization was vested in the same persons that controlled or managed the supported organization(s). 1 Section D. All Type III Supporting Organizations Yes No 1 Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (i) a written notice describing the type and amount of support provided during the prior tax year, (ii) a copy of the Form 990 that was most recently filed as of the date of notification, and (iii) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided? 1 Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? If "No," explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s). 2 By reason of the relationship described on line 2, above, did the organization's supported organizations have a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? If "Yes," describe in Part VI the role the organization's supported organizations played in this regard. 3 Section E. Type III Functionally Integrated Supporting Organizations Check the box next to the method that the organization used to satisfy the Integral Part Test during the year (see instructions). The organization satisfied the Activities Test. Complete **line 2** below. The organization is the parent of each of its supported organizations. *Complete line 3 below.* С The organization supported a governmental entity. Describe in **Part VI** how you supported a governmental entity (see instructions). 2 Activities Test. Answer lines 2a and 2b below. Yes No Did substantially all of the organization's activities during the tax year directly further the exempt purposes of the supported organization(s) to which the organization was responsive? If "Yes," then in Part VI identify those supported organizations and explain how these activities directly furthered their exempt purposes, how the organization was responsive to those supported organizations, and how the organization determined that these activities constituted substantially all of its activities. 2a b Did the activities described on line 2a, above, constitute activities that, but for the organization's involvement, one or more of the organization's supported organization(s) would have been engaged in? If "Yes," explain in Part VI the reasons for the organization's position that its supported organization(s) would have engaged in these activities but for the organization's involvement. 2b Parent of Supported Organizations. Answer lines 3a and 3b below. a Did the organization have the power to regularly appoint or elect a majority of the officers, directors, or trustees of each of the supported organizations? If "Yes" or "No," provide details in Part VI. 3a

	Let's Walk Together/ Caminemos Juntos Diabetes is a widespread health issue in Guatemala that affects 30 % of men and 27%. of women nationally. ODIM's Caminemos Juntos ("Let's Walk Together") diabetes program provides education about living a healthy life with the disease through exercise, cooking classes, and bi-weekly support groups. The program's goal is to empower participants to take control of their health and live the healthiest life possible. Participants also receive health consultations, house visits, regular glucose and A1c checks, and extremely low-cost monthly medicines (at approximately \$1.50 per month). Between our two clinics, we serve over 300 diabetic patients. The majority have Type 2 diabetes. Each year we hold a festival in the community to raise awareness and celebrate our dedicated participants. In 2022, there were 20 participants from San Juan and 20 participants in the bi-weekly support groups. In San Juan 52 A1C tests were administered and of those, 21% (11 tests) showed the patient's A1C level under control and 79% (41) showed the patient's A1C level was not under control. In San Pablo 50 tests were administered and 32% (16 tests) showed the patient's A1C level under control while 68% (34 tests) showed the patient's A1C level not under control. A physical therapy student from the Universidad Rafael Landivar-Quetzaltenango conducted therapy sessions for two months to reduce the neuropathy symptoms in patients. ODIM health promoters participated in an knowledge exchange on diabetes care with staff from the Asociación de Padres y Amigos de Personas con Discapacidad de Santiago Atitlán (ADISA). ODIM staff produced two educational videos for local television. One was on the importance of family support in diabetes treatment and the other was on prevention of complications from diabetes.	26,548	0	C
	The Salud del Adolescente (Adolescent Health) program consists of a five-month course for young people (ages 11-13) from the two communities of San Juan La Laguna and San Pablo La Laguna. Topics include human development and sexuality, birth control, and healthy dating relationships. Graduates serve as peer educators in their communities. In 2022, 30 students graduated from the program. Graduates (15) from San Pablo demonstrated an increase in knowledge from 53% on the pre-test to 83.4% on the post test. Graduates (15) from San Juan demonstrated an increase in knowledge from 67.8% on the pre-test to 98% on the post-test. Additionally, ODIM health promoters produced 3 educational videos that were broadcast on local television stations.	21,865	0	C
	In 2022, ODIM's scholarship program (Alcanzando Sueños) supported 7 children in junior high and 4 in senior high school from San Pablo so they could continue their studies. Nine students successfully completed the school year and advanced to the next grade level. The program involves weekly reinforcement classes at our facility in San Pablo La Laguna. Once a month students participate in some type of community service project. Each scholarship covers school inscriptions, monthly tuition fees, school supplies, uniforms, and annual medical exams.	20,258	0	0
